

白山松水蕴豪情

A wide-angle, high-angle photograph of the Changchun city skyline. The foreground is filled with lush green trees and some lower-rise buildings. The middle ground and background are dominated by a dense cluster of modern skyscrapers and commercial buildings, including several prominent towers with blue and white facades. The sky is a clear, pale blue. Overlaid on the image is a large title in white characters with a black outline, and a subtitle in smaller black characters. At the bottom right, there is a white rectangular box containing a caption and a credit line.
